## Welcome

Dear participant,

After the four first successful editions, we face in 2012 the 5<sup>th</sup> edition of the WKF Youth Camp and World Cup but in a **karate1** format. This year it includes the addition of the children categories and the WKF karate1 Cup will take place in parallel with the youth camp. Again in Greece, in the very beautiful island of Corfu, where the participants are going to find the ideal conditions to fulfil the objective of the Camp; what it is like to train with top world champions in a friendly and cosmopolitan atmosphere whilst getting in touch for a whole week with the state of the art sport of Karate.

Corfu has experienced the organization of the 3<sup>rd</sup> Youth Camp & Cup that assures this WKF karate1 - Youth Cup will be a complete success.

Finally, I would like to thank the Hellenic Karate Federation and the local authorities for their help and support and I am looking forward to welcoming you all personally.

Antonio Espinós  
WKF President

## Corfu

Corfu was not given the name of the Emerald Island for no reason. The greenest of all the Greek islands, Corfu's natural beauty is hidden under a cloak of emerald green, with a mountainous skyline plunging into the bluest of blue waters.

Elegant architecture, sun blessed beaches, enchanting nightlife and fine cuisine all play their part in attracting visitors from all over the world. With a welcome as warm as the sun, the renowned reputation the Greeks possess for their unique and instinctive hospitality makes any visitor feel more than at home. The island has something to offer everyone. Corfu Town itself is a contrasting combination of old and new existing side by side in perfect harmony.

There is an abundance of sand, shingle and pebble beaches lining the 200 km coastline, leading to clear waters ideal for swimming and water sports.

Take a little time to explore the island and you will be rewarded with some of the most spectacular scenery on offer by any destination. A trip into the heart of the island will give you an insight into Corfiot village life. Time, in some places, seems to have stood still and everyday life carries on pretty much as it must have done for hundreds of years.

Even though the island is constantly developing to cater to the demands of today's tourist, Corfu has still managed to retain its beauty and charm throughout time. The majority of the island remains untouched and as captivating as it has been for centuries.

Whether you are looking for the hustle and bustle of nightlife or peace and tranquillity, everything you could need is here, just waiting to be discovered.

## ANNEX I WKF Coach Activities Corfu 2012

Welcome to the WKF coach license program for Corfu 2012! The coaches program is proving to be a great success, after the first year of its implementation we already have over 400 registered coaches. This program is proving its capacity to standardize the coaches' function and thereby make our competitions safer, further enforcing the anti doping rules as well as enhancing disciplined and courteous behaviour overall.

This year there is a new addition to the Youth Camp since coaches will be able to access both coach levels, the WKF Accredited Coach as well as the WKF Certified Kata and/or Kumite Coach.

Those coaches who wish to attend the "Accredited Coach Briefing" in Corfu must fill out the registration form and agreement enclosed in the bulletin as well as register online for the event ([www.wkf-registration.net](http://www.wkf-registration.net)). The documentation must be sent to the following email addresses: [wkw.assistant@wkw.com.es](mailto:wkf.assistant@wkf.com.es) and [aaust186@bigpond.net.au](mailto:aaust186@bigpond.net.au) no later than May 15<sup>th</sup>.

Those Accredited Coaches who wish to take the "Certified Kumite or Kata Coach Exam" in Corfu do not have to sign the agreement again, they need to send the registration form included in the bulletin and register online by May 15<sup>th</sup>. **Please note that only coaches in possession of the "WKF Accredited Coach" level have access to the "Certified Kumite or Kata Coach Exam"**.

The WKF must receive the corresponding payments by bank transfer to the account indicated in the registration form (including all bank transfer charges). **In order to ease the process all the payments must come from National Federations, not individual coaches.** All bank transfers must be received at the WKF bank account **no later than May 30<sup>th</sup>**.

Finally, the "Accredited Coach" diplomas will be handed out in Corfu, each individual is responsible for picking up their diploma and **those coaches who do not do so will be charged with the shipping costs incurred by sending their diploma to their National Federations.** The "Certified Kata and Kumite Coach" diplomas will be sent by regular mail via the National Federations to those coaches who pass the exam.

Please remember that all participants accredited in a WKF event need to be in possession of an annual WKF ID card. If they do not have one or their card expires they must apply during the registration for the event, the cost of the annual ID card is 30 CHF. Also, do note that all coaches must use the official agency for their accommodation arrangements during the event.

Thank you and do not hesitate to contact us should you have any questions.

**Remember that no coaches can perform such function in WKF Championships if not in possession of the WKF Accredited Coach level.**
